Daily supply charge: a charge that applies for supplying electricity to your property for each day of the billing period, regardless of how much electricity you use.

kWh: 'kWh' stands for kilowatt hour and is the unit of measurement for your electricity usage.

Price changes	
Are these prices fixed?	No
We may vary our standard offer charges not more than once every 6 months and we will publish such changes in a national newspaper and on our website at least 10 business days before it commences. We will also include details in your next bill if the variation affects your supply. If a government, regulator or distribution entity varies or introduces a fee, charge, impost or tax, we may pass through all or part of this varied or new fee, charge or tax to you. The charges for network-related services may include our reasonable costs for arranging such services.	

Electricity key contract features

Eligibility criteria	The details in this Energy Price Fact Sheet standard offer apply to you if you are a residential electricity customer in the Ausgrid network area. For details see www.ausgrid.com.au or contact us to see if you are in this network area. This offer is subject to your connection having necessary metering system configuration.
----------------------	--
